Dear parent / guardian,

Our school has joined the growing network of schools which are no longer providing newsletters and on-going announcements about school issues via paper.

Through ParentMail you will be able to:

- Use the app on an Android or IOS phone to enable you to receive messages from the school instantly.
- Fill various permission slips
- View the school activities calendar

Registering with ParentMail is easy. You will receive an email and/or text message from ParentMail. After receiving the message simply follow the instructions to register. You will also receive information on their privacy policy.

Once you have registered, if you own an Android or Apple phone, download the app to your phone for the best user experience.

If you need any additional information or assistance, please visit the help site: www.parentmail.co.uk/help/parenthelp/ or if you have not received any contact from ParentMail by your child's first day in school, please contact Neris in reception.

We ask you kindly to fill the slip below to enable us to register you on the system.

Your sincerely,

Mrs A. Lloyd-Hughes, Headteacher
